TRAINING LIMITED

MGMS Training Limited provides psychological services in the areas of online offending and safety. We are a team of forensic psychologists who offer a holistic approach dealing with offenders, victims and those responsible for the care and management of both.

ONLINE SAFETY

Practical advice for children/students; training for staff/teachers and guidance for parents

CHILD PROTECTION

Awareness training for organisations responsible for children

ONLINE OFFENDING

Understanding online sexual offending behaviour for those working with offenders

FORENSIC PSYCHOLOGY

An insight in Forensic Psychology for students, organisations and interested parties

Testimonials

"relevant, informative and well presented" "highly recommended", "excellent"
School Chaplains Association Conference

"Your professionalism, interest and expertise were a valuable contribution to the success of the course once again"
12th International Military Police Course, Military Police Corps, Irish Defence Forces
